Special Announcements

Don't forget, we are going to eat at Lagneaux's on Tuesday, June 7th at 5:30 p.m. Please be sure to let Kim know you plan on attending if you have not yet.

Let's get together and have a nice family meal!

Due to food safety reasons, we must served cooked foods at a certain temperature in order to prevent foodborne illness.

We started plating your lunches on May 19, 2016, as you came in.

We are going to continue to practice this in order to prevent any health issues/concerns.

Due to the high volume of clients we serve, you may experience a waiting period, however, your safety is important to us and we appreciate your patience.

All food will be picked up at 12:00 p.m. so please try to pick up your dinner before the cutoff time.

If you expect that you will not pick up your meal prior to the cutoff time, please call us in advance to cancel your dinner.

With this said, please make sure you call us at least 24 hours in advance if you are not a regular diner, so we can best accommodate you. Diners who do not notify us will have to wait until 11:30 a.m. to get service.
